IN THE UNITED STATES BANKRUPTCY COURT  
FOR THE MIDDLE DISTRICT OF TENNESSEE  
COOKEVILLE DIVISION

IN RE: )  
 ) BK NO 09-08974-KL2-11  
TRI STAR ALUMINUM, L.P., )  
DEBTOR IN POSSESSION, )

U.S. TRUSTEE'S MOTION TO APPOINT CHAPTER 11 TRUSTEE

Pursuant to 11 U.S.C. §§ 307 and 1104 and Rules 2007.1 and FRBP 9014, the U.S. Trustee moves for the appointment of a chapter 11 trustee in this case for the following reasons:

1. The Debtor filed a voluntary chapter 11 bankruptcy case on August 7, 2009, and remains in possession of the property of the estate.
2. A plan and disclosure statement were filed on September 18, 2009. The plan, in summary, provided for a 10 percent distribution to general unsecured creditors over five years, payment of secured debt over varying periods of time, and transfer of ownership to two current management persons for no consideration. After objections by the Unsecured Creditors Committee, the largest unsecured creditor and the United States Trustee, the plan and disclosure statement were withdrawn by notice filed November 10, 2009.
3. The disclosure statement and plan provided that a new entity would be created to hold the equity ownership of the debtor and that the new equity would be owned by Joe Levanowicz (50 percent); Robert Gonzales (23.75 percent); Steve Curnutte (23.75 percent); and Will Eckstein (2.5 percent). Mr. Levanowicz is currently an officer of the company and Mr. Gonzales is the chief restructuring officer. Upon information and belief, Mr. Curnutte and

Mr. Eckstein are business associates of Mr. Gonzales.

4. The United States Trustee was recently contacted by the President of an aluminum company in Toronto, Canada and advised that he is interested in purchasing the assets or stock of the debtor. He further advised that he had previously expressed an interest to Mr. Levanowicz and Mr. Gonzales but was not encouraged to pursue sale negotiations. However, it appears now that the Debtor is being responsive to the inquiries of the company.
5. The disclosure statement did not contain historical information from which to determine the feasibility of the projections in support of the plan. The last monthly operating report filed (for the period September 2009) indicates the company is cash flowing; however, no payments on secured debt are presently being made. The monthly operating report for the month ending October 2009 has not been filed as of November 23, 2009.
6. The U.S. Trustee has requested additional information regarding the accounts payables shown on the August 2009 report. The August 2009 report has not been amended; the September 2009 report does not contain the requested information.
7. Given the interest of some of the management in obtaining ownership of the company, it would be in the best interests of the estate and creditors if a trustee were appointed. *In re Cajun Electric Power Cooperative, Inc.*, 74 F.3d 599 (5<sup>th</sup> Cir. 1996)(Withdrawing part of prior decision and citing to dissent of prior opinion at 69 F.3d 746 and holding actual conflicts of interest can constitute “cause” for appointment of chapter 11 trustee).

8. Moreover, given the specialized nature of the Debtor, a trustee would provide more experience in the marketing and sales aspects of the case.

WHEREFORE, the U.S. Trustee requests that the United States Trustee be directed to appoint a trustee in this case and for such other relief as is appropriate.

Respectfully submitted,

RICHARD F. CLIPPARD  
U. S. TRUSTEE, REGION 8
